

ABOUT THE CLINICIAN

Jake Engler, CJF

Jake grew up shoeing horses in the Houston, Texas area with his father Jeff Engler. He has managed a full-time horseshoeing business since 1989, consisting of eventers, hunters, jumpers and

dressage horses. In 2001, Jake earned his CJF from the American Farrier's Association and made the American Farriers Team in 2008, 2009 and again in 2014. At the Calgary Stampede in 2008 he earned Rookie of the Year and was a top ten finalist in 2008, 2009 and 2010. In 2010 he won Reserve World Champion at the Calgary Stampede and in 2011 and 2014 he was overall high point at the American Farrier's Association Convention. Jake and his team Cat 6 have proudly won the World Horseshoeing Classic in both 2014 and 2015. Currently Jake is participating in competitions in addition to judging and conducting clinics across the U.S. and internationally.

FEATURED PRODUCTS

Liberty Cu Horseshoe Nails with Copper (Cu) Shield Technology

In addition to all of the same great features of the regular Liberty nail Liberty Cu horseshoe nails include Copper (Cu) Shield Technology. This technology provides more protection than traditional horseshoe nails. Hoof wall, white line and sole are stronger and healthier when Liberty Cu nails are used on a daily basis. The Copper (Cu) Shield Technology is unique to Kerckhaert and Liberty Cu horseshoe nails. Ask us about the full line of Liberty Cu Nails:

5 City, 5 Slim, 5 Combo Slim, E-2 Slim through E-7 Slim, LX-50, LX-55, LX-60, LX-65, LX-70, Hybrid in sizes 3, 4, 5 and 6, and Race in sizes 3-1/2, 3-1/2 XL, 4-1/2 and 5.

Vettec Cartridge Improvements

Check out the new cartridge improvements from Vettec! Vettec tips have 66% less waste than tips used by some competitors.

Kerckhaert SX-7

The first Kerckhaert shoe designed specifically for the North American market. These light, strong shoes are among the most popular in the line. Used for a wide variety of disciplines, these 1/4" shoes allow good nailing and fit without adding excess weight. Shoes are symmetrical. Sole relief available on fronts.

Punched for 5 Slim and 5 City. Available in front and hind patterns, clipped and unclipped.

Bellota RAZOR Plus Rasp

Using a higher grade material for the Bellota RAZOR Plus rasp, it has proven in farrier testing to have a longer life. In addition, the tooth design is more aggressive and requires only a very light stroke in the early stages of using the rasp.
