

NEWS FOR FARRIERS

Razer Flap Pads Coming Soon to FPD Dealers

The Razer Flap Pads will be available this month. These pads are a single density pad designed to be applied with a partial shoe. The back section of the pad makes contact with the ground and provides cushion for the heel area of the hoof. Packed in 5 pairs to a box.

Diamond® Tracker Horseshoe by Kerckhaert

The Diamond® Tracker Horseshoe by Kerckhaert is quickly building a following among farriers who appreciate the versatile shape, accurate nail placement, clean punching and support.

ONE SHOE, COUNTLESS SHAPES – SAVING THE FARRIER TIME AND MONEY

- Easily shaped into front or hind patterns
- V-crease for secure nail fit and more nail options
- Drop forged from high grade steel
- Sole relief
- Solid heel with additional width for support and traction applications
- Boxed (safed) heels

NEW Diamond® Tracker Horseshoe Video

In a recent video, Bobby Menker, CJF nails the Diamond Tracker on this front foot. Great nail placement, good heel support and quality steel make this a great option for horses that are working at speed. The Diamond Farrier Tracker shoe provides great traction for horses like this barrel horse.
