ABOUT THE CLINICIANS

TOM SAUNDERS, CJF

Tom has worked in the food business for 25 years. His last job was with Hershey Foods. Tom attended the Lookout Mountain School of Horseshoeing in 2000 and in 2010 passed the AFA Journeyman Test at 54 years old. He has been an AFA tester for 10 years and is currently on his updates. Tom was on the AFA Board of Directors for six years and has had a successful shoeing business for 21 years.

CODY IVEY, CF

Cody attended the Lookout Mountain School of Horseshoeing in 2013 and passed his AFA Certification. His passion is forging and building shoes. Cody competed at the AFA Convention and earned a spot on the AFA Apprentice Team, competing in England in 2019. He has been shoeing for eight years.

Featured Products

VETTEC HOOF CARE

Vettec's extensive line of hoof related materials allow your hoof care professional to complete hoof repairs and glue on shoes with Adhere, urethane adhesive, as well as create instant horse shoes and foal extensions with Super Fast, equi-thane adhesive.

LIBERTY CU NAILS

In addition to all of the same great features of the Liberty steel nail, Liberty Cu horseshoe nails include Copper (Cu) Shield Technology. This technology provides more protection than traditional horseshoe nails.

BELLOTA RASPS

With the most advanced research, production, controls and testing, Bellota delivers the best performing rasps in the industry.

BLOOM FORGE TOOLS

With over 40 years experience as a farrier, Roy Bloom understands the use of farrier tools. Roy perfected his forging skills as a blacksmith, as well, bringing a unique understanding of the characteristics of the materials and stresses they endure.
