ABOUT THE CLINICIAN

BOBBY MENKER, CJF APF

Bobby Menker is an AAPF/ CAPF Accredited Professional Farrier (APF) and an AFA Certified Journeyman Farrier (CJF) with over thirty years of experience shoeing Western and English Performance horses. His clients include multiple AQHA World Show and Congress champions, NRHA futurity and derby winners, as well as successful Grand Prix competitors. His specialties include supportive shoeing for the high-level athlete. A past AFA Examiner and frequent clinician, Bobby has been consistently involved in efforts to bring more educational opportunities to farriers.

Featured Products

KERCKHAERT ALUMINUM CENTURY SUPPORT

The Kerckhaert Century Support has a similar design to the Aluminum Comfort with a bit less width in the toe, but great heel support and a slight rolled toe enhancement.

KERCKHAERT DF SELECT

The Kerckhaert DF Select was designed for the hunter jumper market, heels are elongated and tapered with the widest part of the shoe moved forward. Punched for E-head nails and available in 8mm and 10mm thickness.

LIBERTY 5 COMBO SLIM

Longer length and slightly slimmer shank than the Liberty 5 Combo. Ideal for SX-8 shoes in larger size and any shoe requiring a bit more length and head mass. 52.55mm long. Available in steel and Cu Shield Technology.

BELLOTA RAPTOR+ RASP

The Bellota Raptor+ Rasp is 33% wider than regular rasps, ideal for large hooves. Special steel characteristics combined for the longest durability. File side has a coarse cut for the most efficient finish. Rasp side is most aggressive (8 teeth/row) for the fastest removal of hoof material.
