ABOUT THE CLINICIAN

STEVE STANLEY, APF

Steve Stanley started working with his father Dave Stanley in 1974, shoeing Standardbred racehorses in New Hampshire. He came to KY in 1975 with his Dad. Steve shod horses at the Horse Park with his Dad while he was an instructor at the vocational school there. He started shoeing on his own in 1979 when he opened a shop at the Red Mile after graduating high school. Steve has shod 26 Divisional Horse of the Year winners (3 all age HOY), 31 millionaire racehorses, and 20 World Champions (some of those multiple WR holders). He continues to operate a shop at the Red Mile as well as working on a number of Thoroughbred farms in the Lexington, KY area.

Steve has spoken at the International Hoof-Care Summit three times and been awarded outstanding speaker of the conference two times. He also writes a horseshoeing column for Hoofbeats Magazine. He has been a member of the AFA and Bluegrass Associations and currently is living in Versailles, KY.

Featured Products

FOOTPRO DIM IMPRESSION MATERIAL

A non-toxic, non-allergenic, dental grade silicone that is hand mixed to a moldable consistency and applied to the bottom of the equine foot with a pad to provide either a soft cushion (DIM20), or a firm supportive material (DIM40).

BELLOTA RASPS

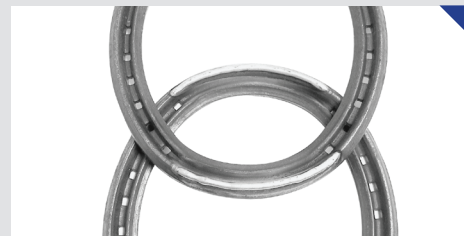

Guaranteed consistency, and varying combinations of rasp and file coarseness, length and width options.

Tests have shown that Bellota outperforms the competition and delivers better cutting performance, consistency and durability over time.

LIBERTY NAILS

Designed with precise specifications, optimum clinching, accurate bevels and points to provide consistent driving and outstanding results. In addition to all of these features, Liberty Cu Nails include Copper (Cu) Shield Technology. This technology provides more protection.

KERCKHAERT SWEDGES

Made with tough, durable steel and provides support in the heels. Available in Full Swedge Fronts and Half Swedge Hind patterns, as well as a toe clipped version, which offers additional security for the shoeing cycle.
