ABOUT THE CLINICIAN

ROY BLOOM, CJF APF-I

Roy Bloom CJF APF has been shoeing horses since 1973. He has been a member of the American Farrier's Team on two different occasions and for many years served as the manager of the team.

Roy has always been willing to share the extensive knowledge he's gained over the years with members of the farrier industry. In addition to his farrier background, he developed a strong interest in blacksmithing and tool making and for many years has been manufacturing a broad range of farrier and blacksmith tools. He also has a fully equipped shop and the ability to do a wide variety of ornamental and artistic work.
